

City of New Orleans Employees' Retirement System

Investment Manager Search

The City of New Orleans Employees' Retirement System voted on Wednesday, March 23, 2011 to initiate the search for an **Emerging Equity Manager**. Those firms who wish to be included in this search are **required** to be registered with Plan Sponsor Network (PSN). Those Managers who meet the below search criteria need NOT contact the Retirement System, as all eligible managers will be identified through the PSN search.

Emerging Equity Manager Search Criteria

- The prospective fund must rank in the top quartile for the 3 and 5 year performance time frame in the Emerging Equity investment space.
- The prospective fund must have a minimum of 5 years of performance history.
- The prospective manager must have a minimum of \$300 million in assets under management in the Emerging Equity investment space.

The above criteria are subject to change as the Board deems appropriate, but these changes will be updated on this website as the information becomes available. If you have questions relating to your data in the PSN database, please Michael Kreeger with Morgan Stanley Smith Barney at (504) 587-9638.
